## Minutes20071213

From MTU LUG wiki MTU LUG Minutes December 13th, 2007 IRC IRC services disappeared DCC re-enabled Check with Dave Hale - it's flagged in filters Trivia Bot back? Jon's toy? it was always kinda broken onstallation Pre-Planning
Want to be before or after carniva?
Usant to be before or after carniva?
Discussed before? No one is sure
After carnival... Feb 23rd
Agrove want to make Table Tents?
Physics might be able to cause he's gorna be working up here
that to be approved early
east to be approved early
MUB does not seem to have time frames Treasurer He's graduating, so we need a new one. volunteers?

Best kernel version?
The newest one!
2.6.18 can still burn DVDs
No run 2.6.19-21
Wish they would do 2.-odds- = unstable kernel

IRC and NMU
Linking servers with NMU
Try to build a University LUG group network
MSU - ACNS has a server but doesn't want to link (not a LUG group)

Huskymail sucking? Html front end to IMAP it's squirrel mail probably better to use a real IMAP client ironport attacks e-mail

Late Food in McNair Open until 9pm M-F Foodscript working? WAYYYY back in the day

Partner Friday (tomorrow) food at 7ish Bring your own beverage Bring food (or \$5) White Elephant Gift Exchange

END
