MTU LUG meeting Minutes January 24th, 2008
:
:
Installation
: We've got events!
: Basic Unix - Steve
: List events without set presenters?
: Desktop Effects? a running demo machine (too easy to break in config)
: Getting X to use less ram? no use gnome or kde (blah) or freloX
: Adam being silly
:
:
In Meeting Presentations
: Non-Existant Samba Presentation by Dark-FX
: interest? sure. maybe next time
: Firewall - Basic iptables (commandline)
: Next week, maybe (write and drive)
:
:
Wiki Stuff
: Kyle - look at it on monday
:
Student Involvement Fair
: Setup starts soon.
: We need to leave for that soon.
:
:
END
