Andrew not here
server still has two drives lost
will work on other new case comes in mail
"false alert..." it was his own server
Andrew here maybe make sense now
Server is okay, yay!

Installation Wrapup
It happened... it's over.
Lots of people showed up.
We gave presentations
Money for Pizza was wow
USG reimbursement for Film Board thing
also they'll bug us about the charge for the connection
was only $25

Penguincon
Steve is doing registration this weekend
it's $35 if you do it now
USG will refund at some point...
we get $400 from them
Steve's Yaris is very fuel efficient

Linux Cheat Sheet
CS honor society is putting together a guide for freshmen
Wants us to put together a Linux guide sheet
O'Reilly sheet used to float around

Funding
Money was passed to Bryan
Should deposit money into credit union account
Paypal is not a good idea for collecting dues... too many fees

Other Activities
Table at nanocon
Hand out CD's
Weekend after Halloween
Cory could help, but busy with PFRRC stuff
Anything for Intrepid release?
it's right before nanocon
