

# Minutes20100902

From MTU LUG wiki

```
.....
2. Server Status
: Fedora is borked
3. Officers introductions
2. Installathon
: We got the rooms and days we decided on last year.
3. Website
: Looking for someone to update website.
: We have 2 people interested.
4. Involvement
: It sucks.
: We are not an official club yet.
: Removing flash makes websites nicer.
3. Dues
: SS a semester.
: Raven will be at every meeting.
5. T-Shirts
: We can get them if someone submits a design.
: We still have old ones for sale.
7. Events Coming Up
: K-Day - Do we want a table?
: - Burn Ubuntu CDs.
: - Should we try for power? Ya
3. Server
: Should we mirror more things?
: OpenSUSE - We'll look into it.
: Any services?
: Mumble
: Sekhmet accounts available. People won't be doing OS homework on it.
3. Fun Stuff
: Should we have a junk yard wars computer building contest?
: Let's have a computer building presentation in the future.
10. Parade of Nations
: Dress up like penguins?
11. Open Floor
: Arch now has a multilib repo.
: Takara sells transformers toys that actually work. (FLASH!!)
