

Irc moderation

From MTU LUG wiki

If you do not currently have an account, please see the main page.

Currently for #mtu (#linux has not been a problem and #pr0n will remain unmoderated to all but Personal/Group attacks).

IRC Moderation guidelines:

For:

1. Personal/Group attacks
2. NSFW postings
3. Spamming

Actions:

1. Offending user given a warning
2. Offending user kicked from channel
3. Offending user kick-banned from channel
4. Offending user kick-banned from server
5. Offending user reported to abuse@mtu.edu with message logs

Resolution:

1. Join #ops or email the IRC admins directly (type /admin to see who they are)
2. Email president and cc VP
